

ABS All Purpose Cleaner

Powered by innovative probiotic technology, our revolutionary multi-surface cleaner effectively eliminates tough stains and odour causing particles, leaving surfaces sparkling clean and fresh.

What makes it different?

Our innovative packaging features soluble sachets that dissolve upon contact with water, avoiding shipping liquid and minimising your environmental impact.

Benefits:

-  Fresh citrus fragrance
-  Environmentally friendly
-  Non-toxic to humans and animals
-  100% biodegradable
-  Contains powerful probiotics that clean 24/7
-  Not tested on animals

What does it remove?

- ✓ Dirt, soil and grime
- ✓ Grease and oily residues
- ✓ Stains of all kinds
- ✓ Soap scum and tide marks

Where can I use it?

-  Sinks, ceramics and stainless steel
-  Marble and granite
-  Floors and tiles
-  Glass
-  All other hard surfaces

How do I use ABS' All Purpose Cleaner?

1
Rinse out the spray bottle

2
Fill the bottle with cold water leaving a 1-inch gap at the top

3
Insert the soluble sachet, ensuring hands are dry

4
Replace the spray trigger and shake for 30 seconds

5
Apply to surfaces
